

# SUNNY SIDE DOWN: A COLLECTION OF TALES OF MERE EXISTENCE

Lev is just like any other young, urban sub-professional who sees the world through inch-thick goggles of self-consciousness. Armed only with insecurity, doubt, and a seemingly inadvisable tenacity, Lev trudges through his days furiously analyzing himself and the world around him, desperately trying to figure out where he fits in. If you have ever felt like a perpetual square peg in a world of round holes, you have found a kindred spirit.
