

# AVALON

A ragtag group of teenage mercenaries who crew the spaceship Avalon stumble upon a conspiracy that could threaten the entire galaxy in this fascinating and fast-paced sci-fi adventure from author Mindee Arnett. Of the various star systems that make up the Confederation, most lie thousands of light-years from First Earth-and out here, no one is free. The agencies that govern the Confederation are as corrupt as the crime bosses...

## Peek Inside the Book

He didn't know if it was real, if freedom was something you could earn or win after a long, hard fight, or if it was just an illusion. But he decided it didn't matter. Only this mattered. This moment right here, surrounded by the people he cared about. And he realized this...

Flynn, Jeth hissed, crossing his arms. This isn't the high seas. This is the middle of space. We don't have any lifeboats, and we don't need panic. We need solutions. Mindee Arnett, Avalon

## Reader's Opinions

Let me start this post off by saying how much of love Mindee Arnett, and that everything that she writes will be GOLD for me. I mean, she can do no wrong. I absolutely loved this book. It would seem that lately the popular book trend is books about space. There's These Broken Stars,...

2.5 Stars! I have always had a hard time with sci-fi novels, and this one is no different. The book starts off beautifully and kept my attention, but during the middle, the whole story falters and becomes very boring. This also happens for most, if not all of the characters. Their sneaky ways come to a screeching halt, and they are so...
