

REPRODUCTION IN EDUCATION, SOCIETY AND CULTURE

The way in which the ruling ideas of a social system are related to structures of class, production and power, and how these are legitimated and perpetuated, is fundamental to the sociological project. In this second edition of this classic text, which includes a new introduction by Pierre Bourdieu, the authors develop an analysis of education (in its broadest sense, encompassing more than the process of formal education). They show how education carries an essentially arbitrary cultural scheme which is actually, though...

Reader's Opinions

Sorry - this one is absurdly long:"That's true what Harry says. You can tell a true gentleman from a false one that's just dressed in finery. Take yourself, sir. It's not just the cut of your clothes, nor is it even the fine way you've got of speaking. There's something else that marks you out as a gentleman. Hard to put your...

Un muy buen libro para criticar y pensar el sistema educativo, los mtodos de seleccin y un analisis ms complejo en torno a la escuela como un sistema reproductor de las jerarquias sociales, aunque el discurso es bastante complicado.
