

# THE WAY OF IGNORANCE AND OTHER ESSAYS

The continuing war in Iraq, Hurricane Katrina, the political sniping engendered by the Supreme Court nominations, Terry Schiavo — contemporary American society is characterized by divisive anger, profound loss, and danger. Wendell Berry, one of the country's foremost cultural critics, addresses the menace, responding with hope and intelligence in a series of essays that tackle the major questions of the day. Whose freedom are we considering when we speak of the “free market” or...

## Peek Inside the Book

Our governments have only occasionally recognized the need of land and people to be protected against economic violence. It is true that economic violence is not always as swift, and is rarely as bloody, as the violence of war, but it can be devastating nonetheless. Wendell Berry, The Way of Ignorance: And Other Essays

## Reader's Opinions

This is the first Wendall Berry book I've read and it's just a collection of essays. I found many of them to be really good and though provoking. I know nothing about farming or really about nature, so I was a little lost at times.

One of the clearest, most down to earth, honest, and truest essay collections I've ever read. I have seriously contemplated getting this book for everyone I know and probably will give it to a lot of people. If I were to write, it would be basically the same subject matter...
