

DEADLY SPIN: AN INSURANCE COMPANY INSIDER SPEAKS OUT ON HOW CORPORATE PR IS KILLING HEALTH CARE AND DECEIVING AMERICANS

Wendell Potter is the insurance industry's worst nightmare. In June 2009, Wendell Potter made national headlines with his scorching testimony before the Senate panel on health care reform. This former senior VP of CIGNA explained how health insurers make promises they have no intention of keeping, how they flout regulations designed to protect consumers, and how they skew political...

Reader's Opinions

The author, Wendell Potter, used to work for Cigna. His job there was to essentially make his health insurance company look good even if he had to spin the truth to do it. He eventually realized he was unhappy enough with what he was doing to quit this very high paying...

I finished this book in one day. Part of it was because I had lots of time to read. But part of it was because I really enjoyed the topic. This is a book that everyone needs to read because the more informed we are as consumers and voters and American citizens, the harder it will be...
