Reader's Opinions

I read this charming memoir when I was about 9 years old. It has stayed with me for years; I still yearn for a pet raccoon and they are still one of my favorite animals. 3 of my children have read the book and they are all fans. The author is a wonderful story teller remembering...

This is a beautifully poignant book that tells the story of a very special year in the life of the author when he was young. Of how with no mother and a family that was there but not there how he found something to keep him moving forth. And yet at the same time as we all learn while growing up sometimes it is those that we love that...
