

THREE MEN IN A FLOAT: ACROSS ENGLAND AT 15 MPH

With a top speed of 15 miles per hour and fuel efficiency of a penny a mile, a decommissioned milk float is the ideal vehicle for an epic journey between England's most easterly and westerly points. After planning the entire trip on the back of a beer mat, buying a 1958 decommissioned milk float on eBay, and charging its tired batteries, the team set off from Lowestoft to Lands End. On the way, they discovered that their...

Reader's Opinions

We charged up, cracked open a bottle of champagne and some packs of cheese balls and then turned the float around to go home. Last line from Three Men on a Float: Across England at 15 mph. A bit of harmless fun, which flipped between amusing and informative. The poo tale pages had me laughing out loud (and...
